

Submission on the Telecommunications Carriers' Forum's Report on the Telecommunications Service Obligation for Local Service

21 April 2008

1. Yellow Pages Group Limited welcomes the opportunity to make a submission on the Telecommunications Carriers' Forum's Report on the Telecommunications Service Obligation for Local Service dated 27 March 2008.
2. Yellow Pages Group Limited provides directory assistance services and residential directory listings to telecommunications providers, including to Telecom to enable it to meet its current directory assistance and directory listing Telecommunications Service Obligations.
3. The Telecommunications Carriers' Forum's Report recommends that the current directory listing and directory assistance obligations continue as part of the basic access service.
4. Should the existing directory listing and directory assistance obligations continue to form part of the basic access service, Yellow Pages Group Limited confirms that it work with the TSO provider (or providers) during implementation to enable that provider (or those providers) to meet the directory listing and directory assistance obligations.
5. If you have any queries or wish to discuss this further please contact Tina Miller, our Service Delivery Manager, on (09) 525 3430 (extn 94022).
6. There is no confidential information in this submission.
