**Submission on the Draft Premises Wiring Code**

**2 November 2009**

Thank you for sending this notification to Standard's New Zealand.

Standards New Zealand's policy and operating practice is to invite comments on details of standards, codes, handbooks etc from our expert committee members. At the present time we do not have a standing committee that we can refer the TCF Premises Wiring Code for comment.

Kind Regards

**Debbie Chin**  
Chief Executive
